Selecciona una única respuesta por pregunta

Indicaciones generales

1. Lee detenidamente cada pregunta y elige una única respuesta. Es importante que no dejes ninguna pregunta sin responder. Organiza tu tiempo: cuentas con una (1) hora para terminar.
2. Selecciona una única opción por pregunta (A, B, C o D).
3. Si hay figura, tabla o lectura, obsérvala con atención.
4. Administra tu tiempo con calma: todas las preguntas valen lo mismo.
5. No es necesario que respondas en orden; puedes regresar a una pregunta.
6. No se penalizan respuestas incorrectas: si dudas, intenta tu mejor opción.

Conversaciones breves · Preguntas 1 a 5

En cada situación alguien te dirige la palabra. Escoge entre A, B y C lo que corresponde decir en ese momento de la conversación. Revisa primero el ejemplo resuelto.

A. Here you are.
B. It doesn't matter, really.
C. I don't think so.

3 Lee el aviso que hay en la entrada del parque y completa la conversación.

We got here at seven in the morning. Is the park open yet?

Según el aviso, ¿cuál es la respuesta adecuada del interlocutor 2?

A. No, it closed last week.
B. Maybe on Sunday.
C. Yes, it opened an hour ago.

4 Would you mind giving me a hand with this table?

A. Never mind, then.
B. It belongs to my aunt.
C. Sure, I'll take this side.

5 I passed the swimming test on Saturday!

A. I'm afraid not.
B. Well done! That's great news.
C. Oh, that's too bad.

Parte 1: Los lugares del barrio (emparejamiento) · Preguntas 6 a 10

Una estudiante que acaba de mudarse recibe una guía del barrio con notas breves sobre cada sitio. Lee la nota en inglés y señala, en el recuadro, la palabra que nombra el lugar del que habla. El recuadro trae siete palabras y solo hay cinco notas: dos palabras quedan sin usar y ninguna se repite.

Marta Rueda, the River Doctor · Preguntas 17 a 22

Read the text and answer the questions that follow.

Marta Rueda is a country doctor who was born in Peru in 1971. When she was thirty years old, she began to open a small clinic every Monday in a village far from the main road. She wanted the families of the river to receive medicine and clear advice about food and water. Her plan grew slowly, and after some years twelve young nurses from other towns joined her Monday visits. In 2018 she reached the last villages by canoe, because the roads there are closed for months in the rainy season. She has taught in many health centres, and the regional hospital now sends free medicine to the river because of doctors like her.

17 Marta Rueda was born in

A. Peru.
B. Spain.
C. a village on the river.

18 From the text, we can understand that Marta Rueda's main goal is to

A. open a private hospital in the capital city.
B. bring medical care to families that live far away.
C. win a national prize for young nurses.

19 On Mondays, Marta began to

A. study medicine in the capital.
B. visit the regional hospital.
C. open a small clinic in a distant village.

20 Marta reached the last villages by

A. canoe.
B. bus.
C. train.

21 Who joined Marta's Monday visits?

A. A group of tourists.
B. Twelve young nurses.
C. Only her own family.

22 According to the text, because of doctors like Marta, the regional hospital now

A. closes its small health centres.
B. builds new roads in the mountains.
C. sends free medicine to the river.
